Paleobiology paper subscription, in addition to **regular** membership fee [] \$35.00
Paleobiology paper subscription, in addition to **student** membership fee [] \$25.00

I enclose a check payable to THE PALEONTOLOGICAL SOCIETY (US\$, drawn on a US bank) Total \$ _____
Amount to charge to my _____ VISA, _____ Mastercard, number _____ Total \$ _____
Name as on card _____ Expiration date ____/____ Signature _____

Return form with check, credit card information or International Postal Money Order to:

The Paleontological Society, PO Box 7065, Lawrence, KS 66044-7065, U.S.A.
Telephone: (785) 843-1234, ext. 297 Fax: (785) 843-1274 e-mail: paleosoc@allenpress.com

Please make check, money order, or credit card payment for the **TOTAL AMOUNT DUE**, payable to

THE PALEONTOLOGICAL SOCIETY. Return the form above, completed as appropriate, with payment. Individuals outside the United States must pay in US funds by credit card, by check drawn on a US bank, or by International Money Order. Memberships and subscriptions are non-transferable.

You will be enrolled as a member of the Paleontological Society and you will receive its two journals on-line, as well as print subscriptions you have elected to the *Journal of Paleontology* and *Paleobiology*, for the entire 2010 calendar year, regardless of the month in which your application is submitted.

Please be sure to provide your **current e-mail address** on the application. The journals can be accessed at <http://www.psjournals.org>. Please allow 30 days for processing of your order and activation of your password, which will be sent to you by email.

The **Paleontological Society** and the **Palaeontological Association** have a reciprocal agreement under which members of one organization can purchase certain publications of the other organization at members' prices. **Members of the Palaeontological Association can subscribe to *Paleobiology* at the members' rate**. To do so, they should provide the personal details called for on the membership application form, above, check PA membership, and enclose payment for *Paleobiology* at the members' rate. **Members of the Paleontological Society can obtain Palaeontological Association publications at their members' rates** through the association's website, at <http://www.palass.org> or by e-mail from Dr. Tim Palmer at Palass@palass.org

2010 Institutional subscription rates are: Journal of Paleontology — \$330.00, Paleobiology — \$200.00

To set up an institutional subscription to one or both Paleontological Society journals, please contact
Mr. Russell Wright, Association Manager, at paleosoc@allenpress.com or rwright@allenpress.com

JOURNAL OF PALEONTOLOGY

VOLUME 83 ■ NUMBER 6 ■ NOVEMBER 2009 ■ ISSN 0022-3360

833 Tyler R. Lyson and Walter G. Joyce

A revision of *Plesiobaena* (Testudines: Baenidae) and an assessment of baenid ecology across the K/T boundary

854 Raef Minwer-Barakat, Antonio García-Alix, Jordi Agustí, Elvira Martín Suárez, and Matthijs Freudenthal

The micromammal fauna from Negratín-1 (Guadix Basin, southern Spain): new evidence of African-Iberian mammal exchanges during the Late Miocene

880 Hao Huang, Xiaochi Jin, Yukun Shi, and Xiangning Yang

Middle Permian western Tethyan fusulinids from southern Baoshan Block, western Yunnan, China

897 Emily L. Bamforth and Guy M. Narbonne

New ediacaran rangeomorphs from Mistaken Point, Newfoundland, Canada

914 Moriaki Yasuhara, Thomas M. Cronin, Gene Hunt, and David A. Hodell

Deep-sea ostracods from the South Atlantic sector of the Southern Ocean during the last 370,000 years

931 Olivier Béthoux

The earliest beetle identified

938 Ewa Stworzewicz, Joachim Szulc, and Beata M. Pokryszko

Late Paleozoic continental gastropods from Poland: systematic, evolutionary and paleoecological approach

946 Calvin H. Stevens and Paul Stone

New Permian durhaminid cerioid corals from east-central California

954 Robert L. Peck, Jack B. Bailey, Richard J. Heck, and Nathan T. Scaiff

X-ray CT scan as an aid to identification and description of a new bivalve species (Mollusca) from the Mississippian Bluefield Formation, southeastern West Virginia

PALEONTOLOGICAL NOTES

962 Ioan I. Bucur, Wolfgang Kiessling, and Roberto A. Scasso

Re-description and neotypification of *Archamphiroa jurassica* Steinmann 1930, a calcareous red alga from the Jurassic of Argentina

969 Joan Madurell-Malapeira, David M. Alba, Salvador Moyà-Solà

Carnivora from the late Early Pleistocene of Cal Guardiola (Terrassa, Vallès-Penedès Basin, Catalonia, Spain)

975 Adriana S. Manzano, Jorge I. Noriega, and Walter G. Joyce

The tropical tortoise *Chelonoidis denticulata* (Testudines: Testudinidae) from the Late Pleistocene of Argentina and its paleoclimatological implications

981 Patrick S. Druckenmiller and Anthony P. Russell

Earliest North American occurrence of Polycotyliidae (Sauropterygia: Plesiosauria) from the Lower Cretaceous (Albian) Clearwater Formation, Alberta, Canada

990 Colin D. Sumrall

First Definite Record Of Permian Edrioasteroids: *Neoisorophusella maslennikovi* n. sp. from the Kungurian of northeast Russia

994 Julián F. Petrulevičius

A Panorpoidea (Insecta: Mecoptera) from the Lower Eocene of Patagonia, Argentina

TAXONOMIC NOTE

998 Fang Zong-Jie

Guizhoumyophoria, a new name for *Quadratia* Yin, 1974 (Bivalvia: Trigonioidea: Myophoriidae), preoccupied by *Quadratia* Muir-Wood and Cooper, 1960 (Brachiopoda: Strophomenida: Productellidae)
