These Archaeological Reports are published by the Hellenic Society and the British School at Athens for their subscribers. They are also offered for sale to the public (obtainable from The Editor (Reports), Hellenic Society, 31-34 Gordon Square, W.C.1.) at the price of 8/6, postage paid; this issue, containing an index of sites mentioned since the reports were published separately from *JHS*, is price 12/6, postage paid. 'Archaeology in Greece' is an annual feature, and the occasional reports on work in other parts of the Greek world include Cyprus (this year), Asia Minor, South Italy and Sicily, the Black Sea, etc. In addition there are regular bulletins illustrating new acquisitions by museums in Great Britain.

The picture on the cover is of a Mycenaean gold dress ornament of butterflies, from Peristeria. See p. 9.
