

| NO   | PAGE |
|--|------|
| VI. Atomic Wave Functions for Ground States of Elements <i>Li</i> to <i>Ne</i> . By W. E. DUNCANSON, M.Sc., Ph.D., University College of London, and C. A. COULSON, M.A., Ph.D., University College, Dundee . . . . .  | 37   |
| <i>(Issued separately March 7, 1944.)</i>  |      |
| VII. Quantum Mechanics of Fields. I. Pure Fields. By Professor MAX BORN, F.R.S., and H. W. PENG, Ph.D., University of Edinburgh . . . . .  | 40   |
| <i>(Issued separately March 7, 1944.)</i>  |      |
| VIII. A Measurement of the Velocity of Light in Water. By R. A. HOUSTOUN, M.A., D.Sc., F.Inst.P., Natural Philosophy Department, University of Glasgow . . . . .   | 58   |
| <i>(Issued separately March 7, 1944.)</i>  |      |
| IX. On the Line-Geometry of the Riemann Tensor. By H. S. RUSE, University College, Southampton . . . . .   | 64   |
| <i>(Issued separately September 12, 1944.)</i>   |      |
| X. The Factorial Analysis of Multiple Item Tests. By D. N. LAWLEY, B.A., Moray House, University of Edinburgh. <i>Communicated by Professor GODFREY H. THOMSON</i> . . . . .   | 74   |
| <i>(Issued separately September 12, 1944.)</i>   |      |
| XI. The Identification of Klein's Quartic. By W. L. EDGE, M.A., Sc.D. . . . .  | 83   |
| <i>(Issued separately September 12, 1944.)</i>   |      |
| XII. Quantum Mechanics of Fields. II. Statistics of Pure Fields. By Professor MAX BORN, F.R.S., and H. W. PENG, Ph.D., Carnegie Research Fellow, University of Edinburgh. . . . .  | 92   |
| <i>(Issued separately September 22, 1944.)</i>   |      |
| XIII. A Problem in the Random Distribution of Particles. By PHILIP EGGLETON, D.Sc., and WILLIAM OGILVIE KERMACK, D.Sc., LL.D., F.R.S. <i>From the Physiology Department, University of Edinburgh, and the Royal College of Physicians Laboratory, Edinburgh. (With Eight Text-figures)</i> . . . . . | 103  |
| <i>(Issued separately September 22, 1944.)</i>   |      |

*The Papers published in this part of the PROCEEDINGS may be had separately, on application to the Publishers, at the following Prices:—*

|                   |               |                    |               |
