

International Organization

THIS invaluable aid to the student, teacher, government official, and specialist now appears four times annually, with full issues in February, May, August and November, at the regular subscription price.

Forthcoming issues will feature articles on the Economic Commission for Europe, European Union, UNESCO, the Caribbean Commission, Changes in the Veto, and Bipolarity in the United Nations.

Each issue contains extensive summaries of the work of more than forty international organizations, important documents relating to the establishment and functioning of various international agencies, and a selected bibliography of current reference materials and documentation.
