# Central European History

Published for the Conference Group for Central European History of the American Historical Association

## Editor-in-Chief

Kenneth Ledford, *Case Western Reserve University, USA*

## Associate Editor (Book Reviews)

Catherine Epstein, *Amherst College, USA*

*Central European History* offers articles, review essays, and book reviews that range widely through the history of Germany, Austria, and other German-speaking regions of Central Europe from the medieval era to the present. All topics and approaches to history are welcome, whether cultural, social, political, diplomatic, intellectual, economic, and military history, as well as historiography and methodology. Contributions that treat new fields, such as post-1945 and post-1989 history, maturing fields such as gender history, and less-represented fields such as medieval history and the history of the Habsburg lands are especially desired. The journal thus aims to be the primary venue for scholarly exchange and debate among scholars of the history of Central Europe.
