Keywords: Border; Security Research; Technology; European Union; Critique

The author omitted some details in the acknowledgments section and would like to rectify the first sentence to read as follows:

“This research benefited from the support of the EC-funded SOURCE programme and from the European Research Council (ERC) under the European Union’s Horizon 2020 research and innovation programme (SECURITY FLOWS, grant agreement No 819213).”

The author apologises for this error.
