

Special Issue: Pandemic Asia, Part II (Table of Contents)

Jeff Kingston

Jeff Kingston, Editor of this special issue, assembled a team of contributors from all over the region and is grateful for their working on a tight deadline to assess the pandemic in Asia as of July 2020. In editing this volume he received valuable editorial assistance from Laney Bahan, guidance from Mark Selden and production processing assistance from Joelle Tapas, Hannah LaTourette and Yayoi Koizumi who shepherded the manuscripts from submission to publication with patience and acuity.
