

J. W. C. WAND

Anglicanism

in History and Today

'Long and eagerly awaited, this addition to the History of Religion series is a splendid achievement. The book is usefully illustrated and has an admirable bibliography. It bears the hallmark of a singularly well read mind and a vast practical experience. It will certainly take its place among the few essential books for those who wish to penetrate the mystery of one of the more baffling but glorious manifestations in history of the Christian Faith' - *Church Times*. 'This is a *tour de force* indeed by the former Bishop of London. In one volume he has managed to survey the organisation of the Anglican Communion, the development of thought within it since the Reformation, and its activities. In the centre of the book there is a remarkable selection of photographs to illustrate both the historical growth within these islands and the expansion overseas; and also the influence upon it of great personalities. The style is easy. There is hardly a subject from the earliest days to the present time which is not touched upon, and often original comment lights up the familiar matter of the text. This great book is likely to become a classic' - *Dr J. A. Ramsbotham, Bishop of Wakefield, writing in the Yorkshire Post*

52 illustrations, 266 pages, price 42/-

Fathers of the Victorians

FORD K. BROWN

A new assessment of the Anglican Evangelical revival in the early nineteenth century. Mr Brown has written a brilliant introduction to the change of mind between two ages. He makes many new points and shows how much the Evangelicals influenced the later Victorian age. 'An enormous and enthralling book'. C. V. WEDGWOOD in the DAILY TELEGRAPH. 'A fascinating panorama of the liveliest part of English life from 1780 to 1830'. THE TIMES. 576 pages. *55s. net*

The Religious History of Modern France

ADRIEN DANSETTE The conflict between the Church and modern society from the French Revolution to the outbreak of the Second World War is the theme of this balanced and judicious work, much of which stems from hitherto unpublished sources. Herder-Nelson *Two Volumes 90s the set*

BY MARGARET DEANESLY
Professor Emeritus of History, University of London

THE PRE-CONQUEST CHURCH IN ENGLAND

"Here for the first time a book has brought together the archaeological evidence and shown how it modifies the established picture of the Anglo-Saxon Church . . . but there is nothing whatever in this treatment that is dry-as-dust. This is a friendly, gentle, understanding portrait of Anglo-Saxon religion and an outstanding piece of scholarship and writing." PROFESSOR OWEN CHADWICK.

"Professor Deanesly's careful, erudite and exhaustive work will be a standard book for a very long time to come, and a standard too for the way in which such a vast trail of history, with unevenly spaced landmarks, can be surveyed and reduced to intelligibility without distortion." CHURCH TIMES. 38s net

Vol. I in *An Ecclesiastical History of England*.

SIDELIGHTS ON THE ANGLO-SAXON CHURCH

A study of a number of subjects needing more specialised treatment than could be given in *The Pre-Conquest Church in England*. A variety of topics on the archaeological, literary and administrative borderline of early English church history is discussed with the same original scholarship, mastery of old and new material and charm of style for which the author's previous book has been widely commended.

MONASTIC LIFE IN MEDIEVAL ENGLAND

J. C. DICKINSON

Lecturer in Ecclesiastical History, University of Birmingham

"Of the numerous surveys of the subject in recent years Mr Dickinson's is in many ways the most successful . . . his statements are firmly anchored to medieval documents and modern scholarship . . . he can be trusted throughout for his facts and for his judgments . . . a lively and incisive style that holds the reader's attention."

PROFESSOR D. M. KNOWLES.

"A mine of information and expert knowledge, also an enthralling narrative which easily holds the attention from beginning to end. A splendid book." CHURCH TIMES. 56 photographs, 6 plans. 38s. net
