Measure for Measure

Birrell, A., printmaker. *Vienna, Measure for measure*. London: s.n., 1793. Folger ART File V662 no.2 (size XS)

This plate from Sylvester Harding's *Shakespeare Illustrated by an assemblage of portraits and views* (London: G. Sidney, 1793), shows a view of Vienna to illustrate the setting of *Measure for Measure*. Harding's work served as a guide to Shakespeare's settings and characters, including facts about the cities and historical figures depicted in his plays.
